OFSTED INSPECTION JANUARY 2020

Dear customers,

We are happy to inform you that CareClub was inspected by OFSTED in January 2020 and we are delighted to have maintained our outstanding status.

The inspection report is attached.
Please be aware that OFSTED has changed its inspection terminology.

It now has just 3 assessments.

MET. Were a setting meets all of the requirements.

NOT MET. Were a setting does not meet all of the requirements and will normally be re-inspected within 12 months.

NOT MET WITH ENFORCEMENT. This is a fail and immediate specific actions are required.

We achieved a MET.

The Directors want to congratulate all our staff for their efforts to achieve this top grade, and we would like to thank all of our customers for the support they have always given to CareClub.

Maria Lavelle
Club Director.
